The application process, something you need to know

You will need to fill out a form, we can help you, or you can ask a friend or relative to help.

We can post this to you, or you can find one on our website keyword: Accessible Properties.

Once you have completed this, send it back to the address on the top of this page.

Once we have received it, we will then notify you and write back to you confirming that we are processing your application and will contact you again in **5 working days**.

Unfortunately we may have more applications than houses, will notify you if you have been shortlisted for housing; we will interview you about your needs at a place that is convenient for you (please bring someone)

Remember, when filling out the form and giving us information please be honest and fill out as much as you can, we want to help you
